Lakewood, California 90712-4137

Dear Mr. Jim Buebring:

Re-Issuance of Technical Standard Order (TSO) Authorizations  
from Artex Aircraft Supplies, Inc., to Chelton Avionics, Inc.

This is reply to your letter of April 27, 2010 requesting for reissuance of Technical Standard Order (TSO) authorizations held by Artex Aircraft Supplies, Inc., to Chelton Avionics, Inc., doing business as Wulfsberg Electronics Division per FAA Exemption Number 10054. Based upon our re-issuance review, we've found it acceptable to accommodate the change in names and the relocation of design and manufacturing to the following address:

Chelton Avionics, Incorporated  
d/b/a Wulfsberg Electronics Division  
6400 Wilkinson Drive  
Prescott, Arizona 86301

The labeling of the parts has been changed to reflect the company name change and the new manufacturing address. Your Quality Management System Manual, Revision 850-142359, Revision B, dated June 23, 2009, or a later Federal Aviation Administration-approved version, is considered adequate and is on file at the Phoenix Manufacturing Inspection District Office in Scottsdale, Arizona.

TSO	Wulfsberg Model (same as the Artex's)	Description
C-126 & C-91a	ME 406	ELT
C-126 & C-91a	ME 406HM	ELT
C-126 & C-91a	ME 406P	ELT

C-142	452-0128	452-0128	Battery Pack

Effective this date, you are authorized to use TSO procedures as prescribed by Subpart O of Federal Aviation Regulations (FAR) part 21 and to identify those parts listed above with the applicable TSO markings as required by their respective TSO. This office must be notified of any design or manufacturing changes to the parts listed above as outlined in FAR §21.611(a), with minor change submittal intervals not to exceed six months.

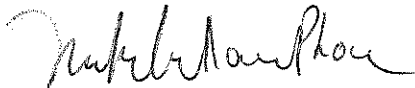

As a recipient of this authorization, you are required to report any failure, malfunction, or defect relating to this authorization in accordance with the provisions of § 21.3. The report should be communicated initially by telephone to the Supervisor, Technical and Administrative Support Staff, ANM-103L, (562) 627-5300, within 24 hours after it has been determined the failure has occurred and followed up with a written notice. FAA Form 8010-4 (Malfunction or Defect Report) or other appropriate format is acceptable in transmitting the required details.

This authorization is not transferable to another person or location and is effective until surrendered, withdrawn, or otherwise terminated by the Administrator. This authorization pertains only to manufacturing operations at the above address. This office must be notified at least 30 days in advance of any proposed facility relocation to preclude interruption while awaiting quality control approval of that facility. As required by § 21.613(b), you must also notify the Federal Aviation Administration (FAA) when you no longer manufacture a TSO approved article.

Please note that technical data retained by the FAA may be subject to Freedom of Information Act (FOIA) request. As such, this office will notify you of all such request

If you have any questions regarding this authorization, please contact Mr. Ted Ebina, Project Manager, by telephone at (562) 627-5327, by e-mail at [ted.ebina@faa.gov](mailto:ted.ebina@faa.gov), or by fax at (562) 627-5210.

Sincerely,

*for* Haifa Haj-Eid  
Supervisor, Technical and Administrative  
Support Staff
